

ESPACE FERT

A UNIQUE SPACE

WELCOME TO THE ESPACE FERT BARTON 7

Fert & Cie is a bespoke travel and transport company founded in 1871.

Set in the heart of Geneva, the Espace Fert is a unique, exclusive space and the ideal venue for your events.

HISTORY

The Espace Fert building originally hosted a riding school and later housed Ferraris.

Since 2013, Fert & Cie has completely renovated the site and made a number of structural changes, including opening up a striking light shaft in the centre of the space, restoring the building to its former elegance. It is now one of Geneva's classic venues.

A fine example of an early 20th century building, with original lines and architecture, the Espace Fert Barton 7 offers a novel setting for your events.
